GATEWAY OPEN STUDIO TOUR 17 VENUES. 70 STUDIOS. 120 ARTISTS

Welcome to the Prince George's County Gateway Arts District, home to one of the DC metro area's most innovative and exciting arts scenes. As you will experience today, the studios and galleries along the US Route 1 corridor showcase professional artists representing almost every visual arts medium there is.

The Gateway Community Development Corporation is excited to offer this map as your guide to the 8th Annual Open Studio Tour. We can't wait to share the Gateway Arts District with you. You'll have full access to both in-home and stand-alone artist studios, along with the cultural centers, art galleries and performance spaces located throughout the District.

After Party - In addition to enjoying the Open Studio Tour during the day, we encourage you to come back in the evening for the hippest after party in the region. As well as another chance to explore the Gateway Arts Center, you'll get more face time with the Districts' artists. The After Party is a celebration of all the artists who participated on the tour. Appetizers and refreshments served. Free.

- Food - Need nourishment before the After Party? Nearby dining options include:
- Open Studio Tour food truck located across from Red Dirt Studios on Otis Street
 - Urban Eats located in the Mount Rainier Artist Lofts at the Mount Rainier traffic circle
 - Sweet and Natural Vegetarian Restaurant and Bakery, 4009 34th Street, Mount Rainier
 - Franklin's Restaurant, Brewery and General Store, 5121 Baltimore Avenue, Hyattsville
 - The Hyattsville Restaurant Cluster, 5331 Baltimore Avenue, Hyattsville

Whether you live up the street, in the District, or across the Anacostia, welcome to the Gateway Arts District. We'd love to see you again! There are many ways to get involved and stay active in the Gateway Arts District - explore www.mygatewayarts.org for more information or call 301.864.3860 to get involved today!

Sincerely,

Laura Rogers
President, Gateway Community Development Corporation
